MSHAA Game Attendance Requirements

New restrictions are in effect for all home KCPS athletic events. All students must show either their school ID or Infinite Campus to attend sporting events and only students from the two participating schools may enter the event. Students who do not attend a school of those competing must be accompanied by an adult to gain admittance. In order to ensure a safe environment for all, no fans may bring bags or backpacks into sporting events. Exceptions are made for student athletes, coaches, and necessary baby bags.

Senior Graduation Audits

Counselors have met with each Senior to complete the Senior Graduation Audits, which ensure students are on track to graduate. Ask your student about their audit, or reach out to their counselor for more info.

Midterm Grades

Midterm grades are visible on Infinite Campus. These grades are not final - they're an indication of how your student is performing now. Quarter grades will be finalized on 10.26.

Probation Meetings

Students currently on probation will be meeting with counselors over the next few weeks to ensure that they are on track to remain at LCPS. Check out our [Graduation Requirements](#) document for info on our retention and graduation requirements.
